Hello!

We volunteer with the **Animal Rescue Foundation of SE PA, Inc. (ARF SEPA)**, an all-volunteer 501c3 non-profit organization that rescues dogs and cats from public shelters that must euthanize when full.

We're hosting our **"2011 Holiday Paw-ty"** fundraiser:

Saturday, November 19th
The Towne House Restaurant
117 Veteran's Square
Media, PA
7:00 pm – 11:00 pm

We'd like to ask you to consider sponsoring this festive event that drew so many people last year we had to ask for more space at the restaurant this year!

Where would your contribution go? ARF SEPA provides rescued pets with complete vet care and they live in a home with a foster family until adopted. We do not operate a traditional shelter, and as an all-volunteer organization, we have no salaries to pay. *Donations go directly toward paying for veterinary care, canine behavioral training, grooming, adoption, event promotion and other activities to help rescued pets get adopted into permanent, loving homes.*

Your support of the Paw-ty will help us save animals – will you please help with a tax-deductible sponsorship or donation to our silent auction? The sponsorship levels are:

- **Best in Show Sponsorship (\$1000)**
 - 11 tickets to the event
 - Private table
 - Listing on Best in Show sponsor banner at event
(Response and logo due by November 4)
 - Premier feature in event materials
 - Logo featured for one year in monthly newsletter to over 2,000 local pet lovers
 - Logo on ARF SEPA website home page throughout 2011/2012
 - Your promotional materials in the doggy bag sent home with every attendee
 - Your own vendor table at the event *(if you choose)*
