ARF SEPA STREET TEAM:

Please sign me up for the ARF SEPA Street Team. Street Team members receive e-mails with posters, flyers, invitations, etc. You can print out flyers and post them around town to help promote ARF SEPA adoptions and events. You can also hold fundraisers at work (like a "pay \$5 to wear jeans to work day") or put an ARF SEPA "spare change" donation jar on the counter at area merchants. To sign up for the street team, just check the box and we'll enter your e-mail into our Team database. Please note that ARF SEPA does not give anyone else your e-mail address. When you receive a Street Team e-mail, we use a "blind carbon copy" method that does not allow anyone to view someone else's e-mail address. You will simply receive the Street Team message, attachments and instructions for posting. Thank you!

Volunteering applications can be submitted at ARF SEPA outreach events, submitted online or faxed to the number above.
